Whist To Benefit Local Girl Scouts

Everything is all set for the big benefit whist sponsored by the Daly City Girl Scout committee. The party will be held, Tuesday evening, at 8:30 p. m. at Theatre hall. Everyone is invited to attend and enjoy the evening.

Committee members explained that all proceeds from the whist are used to defray summer camp expenses for Daly City girl scouts. The many attractive prizes for the affair are on display in the show window of A. M. Harrison, 6236 Mission street. A lovely wool blanket is to be given as door prize.

Catholic Ladies Aid Plan Whist Party

Catholic Ladies Aid Society, Branch 59, will give a whist party, next Wednesday afternoon, to raise funds for the delegates for the relief and aid society. Mrs. Margaret Fields, chairlady, today invited all whist players of the vicinity to attend. A pleasant afternoon is assured.

Playing will begin promptly at 2 p. m. at St. Michael's hall, 32 Broad street. Score cards are nominal in price.

President Arrested

Ulysses S. Grant was the only President ever arrested during his term of office. He loved fast horses, always had several in the White House stables, and had taken the highest mark for horsemanship in his class at West Point. His record in the high jumps has never been equaled. One day he was driving a spirited team in Washington, exceeded the speed limit, and was arrested by a colored policeman. The President put up a deposit of $20, but never appeared at the police court and commended the colored policeman for doing his duty.

Unhappy Landing

Eldon Carter, Boise, Idaho, private pilot without a federal license, picked the wrong place to land. He crashed directly in front of the civil aeronautics authority office at the Boise airport when his motor failed. He escaped with slight injuries but his plane was confiscated.

Special Stamp

The National Society of Daughters of the American Colonists has asked the post office department to issue a special stamp to honor Mary Ball, mother of George Washington.

UP IN THE AIR IN MORE WAYS THAN ONE!

Far from solid earth, both literally and figuratively speaking, are Gene Raymond and Carole Lombard, in this parachute-drop shot from RKO Radio's snappy comedy, "Mr. and Mrs. Smith," in which Carole is co-starred with Bob Montgomery in the title roles, and Gene is top-featured man and "best friend." The hilarious comedy is now playing at the Daly City theatre.

Food Price and Profits

A Statement of Safeway Po

THE forces of market disturbance, fear, and speculati at work. Prices for some basic commodities have al gone up. Increases in Safeway's retail prices on these reflect the rise in wholesale cost, over which Safeway no control.

It is a fundamental Safeway policy to earn only a s profit on each sale. Safeway pledges that during the perio war emergency it will not change this policy; and that in future, as heretofore, it will make every effort through proved methods to reduce distribution cost—the differen between what the farmer gets and the consumer pays. Y will always be able to buy from Safeway at the lowest pric available anywhere.

Consumers may assist materially in preventing unwa ranted price increases by continuing their purchases on a nor mal scale. There are adequate supplies of food stuffs for every American. Hysterical buying which strips retail and whole sale stocks creates artificial scarcity, which pushes prices to abnormal levels.

Machinery exists within the government to control pro duction, storage and release of commodities, imports, exports, quotas and prices—if it should become necessary to employ these methods to protect the economic welfare of the country.

Safeway further pledges complete cooperation with the governmental agencies and with farmer producers in all ef forts to stabilize prices; discourage profiteering; and maintain orderly facilities for food distribution.

No Log Cabins

Although most American illustrations picture them in log cabins, the late Harold R. Shurtleff, in the Log Cabin Myth, published by Harvard University Press, states that there were no log cabins in early New England or Virginia. They built frame houses.

Too Shy

Fred Kral, 73 years old, is "too shy and embarrassed," according to his 64-year-old bride of Cleveland. So, Mrs. Kral freely admits, she not only did the proposing, but also reversed the usual process by bestowing a kiss on the blushing bridegroom at the end of the ceremony.

Girl Bull-Fighter

Whirlwind attraction in the bull rings of Peru, Portugal, and Mexico City is 17-year-old Conchita Cintron, declares the American Magazine. She already has 32 victories to her credit. Conchita spent most of her childhood training to be a bullfighter.

Cherry Icebox Pie

Broadcast by Mary Lee Taylor
May 8, 1941

No. 2 can sour pitted cherries	2 tablespoons melted butter
¾ cup sugar	2 eggs, separated
1 package lemon flavored gelatin	½ teaspoon salt
1 dozen graham crackers, 2½ inches across	1½ teaspoons grated lemon rind
	¾ cup Pet Milk diluted with ¼ cup water

Drain cherries and save juice. There should be 2 cups cherries and ¾ cup juice. Add ¾ cup sugar to juice and heat to boiling. Add ½ package gelatin (¼ cup) and stir until dissolved. Add drained cherries, then chill until mixture begins to thicken. Roll crackers into crumbs, then mix with ¼ cup sugar and melted butter. Reserve ¼ cup mixture. With back of spoon press larger amount of crumb mixture on bottom and sides of deep 9-inch buttered pie pan. Spread chilled cherry mixture over crumbs and continue chilling. Mix slightly beaten egg yolks, remaining ¼ cup sugar, salt, rind and diluted milk. Cook over boiling water until slightly thickened, about 4 minutes. Then add remaining ½ package gelatin, stirring until dissolved. Chill until mixture begins to thicken. Fold in stiffly beaten egg whites, then spread over chilled cherry mixture and sprinkle top with remaining crumb mixture. Chill until firm.
